AUGUST 2019, VOL. I

BIG RED'S TREAT CLUB

A Club for a Cause...

Your \$5 donations for joining Big Red's Treat Club in July (or renewing your membership) went towards **Yes-U-Can Ranch's** Therapeutic Riding Program in Anaheim. Yes-U-Can offers horseback riding lessons for all ages and abilities, and our Treat Club proceeds will go towards sponsoring some of the program's riders!

TREAT OF THE MONTH

Big Red selected **Haystack Horse Treats** as the treat for August. Stop by anytime for endless refills!

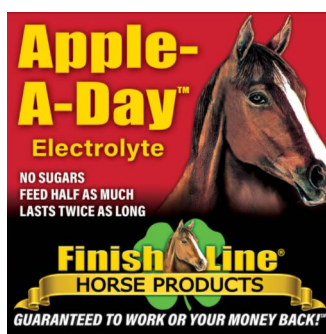

FEED ROOM FODDER

An Apple-A-Day keeps the Horse Doc away

Summer's here and hydration is more important than ever! Electrolyte supplements encourage your horses to drink more, and replenish their salt and mineral levels lost through heat exposure and physical exertion.

We've stocked our shelves with a new electrolyte, Apple-A-Day. With no fillers, sugars, or artificial colors, Apple-A-Day requires only half the dose of other electrolytes, so it lasts twice as long!

NEIGH-BORHOOD NEWS

A Local Horse making a difference

Chuck Wernle's Quarter Horse, Bart, has been making a few community appearances. The 22-year-old retired reiner (and grandson of Hollywood Dun It) has been the visiting therapy horse at Kirkwood Orange Senior Living Home. Now he's winning hearts instead of prize money.

BEAT THE HEAT!

A popular item this summer has been our **Riders Sleeves**. Stretchy and sun-proof, they're great for any outdoor activity! Made from breathable, two-way air circulation material, they absorb moisture and create a cooling effect. And they offer 99% UV protection, better than sunscreen for protecting your arms from sunburn. David uses them while out on deliveries, and Andrea dyed hers purple!

*These UV Sleeves are COOL
in more ways than one!*

BUN ON THE RUN

Elliot, our store rabbit, loves a good summertime splot...
